#3 - 01/24/2014 09:16 AM - Luis Gustavo do Valle Bastos

- Status changed from Feedback to New

- Assignee changed from Luis Gustavo do Valle Bastos to Ricardo Memoria

As agreed, will be implemented for the version 1.1.

#4 - 09/23/2015 07:10 AM - Luiz Fernando Avelino

- Assignee changed from Ricardo Memoria to Maurício Dos Santos

Maurício, do you think its possible to implement this? I don't think this is really necessary since it'll be manage at the facility level, what do you think?

#5 - 09/25/2015 03:29 PM - Maurício Dos Santos

- Status changed from New to Feedback

- Assignee changed from Maurício Dos Santos to Luiz Fernando Avelino

I agree with you. I guess that the search by name or number is sufficient. Furthermore if the facility user want to search by any of the information of the case that appears on the list, the user can order the column.

I guess it is not much relevant.
