Following editorial team advise:

- Replace "Data must be integer numbers. Please, correct and try again." by "Data must be a whole number; not a fraction or decimal. Please correct and try again."
- Replace "Number of rows must be at most XXX. Please, correct and try again." by "Number of rows cannot exceed XXX. Please correct and try again."
- Replace "Number of columns must be YYY. Please, correct and try again." by "Each row must have YYY columns. Please correct and try again."

XXX must be replaced with the number of rows.
YYY must be replaced with the number of columns.
