Please, do not check it till release 3.0.1.0, i.e. until Oct 27-28!!!!

#2 - 11/06/2015 01:28 AM - Luis Gustavo do Valle Bastos

- Status changed from Resolved to Feedback
- Assignee changed from Luis Gustavo do Valle Bastos to Oleksii Kurasov

- Still persist the problem in the dialog box of treatment regimen as shown on the second and third figures attached before.

It seems the dialog box is not large enough the display all information. Suggestions:

- Enlarge the dialog box.
- Create a window for user to click and just check (see) the composition of existing treatment regimens, but not change them. If they want to change they have to click in another button.
