Complexity:			
Description			
Send a message to the user with a link to reset its password.			
In this link, the user will enter a new password.			

History

#1 - 06/21/2016 03:46 PM - Ricardo Memoria

- Subject changed from User - Send password reset message to Admin - User - Send a password reset link
- Assignee set to Maurício Dos Santos

System sends an e-mail message to the user with instructions to change its password. In the instructions there is a link to change the password.

Link redirects user to a public page in the system where he will be able to change its password (provided by another functionality).
