| <b>Description</b><br>When user with role STAFF submits Application and close form, Application will be available only to Administrator. Affected to all not Administrator users. Because of the issue it is impossible future process this Application. Workaround - do not close Application form after submit Application and begin screening at once. Good solution is to make accessible new Application from menu "Submitted" |                 |                        |            |
