Target version:	2.9.3 - Sept 12th, 2016	**Spent time:**	0.00 hour
Complexity:			

Description

When displaying the main page of the case module for workspace, admin unit and units, the navigation inside the page is not clear. There are 3 possible displays in the content area:

- Consolidated cases;
- Advanced search;
- Cases from a selected tag;

And its navigation is not clear. Possibly the best solution is to include a side bar menu display the 3 possible views.

History
