

Quantification tool - Bug #2404

copying and pasting of cases using the tabs does not work properly

12/28/2016 04:12 PM - Andualet Oumer

Status:	Closed	Start date:	12/28/2016
Priority:	High	Due date:	01/06/2017

Category:		Estimated time:	0.00 hour
Target version:	Version 4.0	Spent time:	0.00 hour
Description When you copy and paste number of cases from one quantb file to another using the tabs in the tool " Copy selected" and "Paste number(s)" it leaves one of the cells empty (the last cell) because it copies and pasts starting from the second month. But this problem does not happen when one uses Ctrl + C and Ctrl+V.			

History

#1 - 01/05/2017 08:02 AM - Oleksii Kurasov

- Due date set to 01/06/2017

- Status changed from New to In Progress

#2 - 01/05/2017 08:48 AM - Oleksii Kurasov

- Status changed from In Progress to Resolved

#3 - 01/05/2017 02:39 PM - Andualet Oumer

- Status changed from Resolved to Feedback

the problem persists still, we can have a look at it together if it is not clear.

#4 - 01/05/2017 02:57 PM - Andualet Oumer

Another related issues is user can not copy and past two rows at the same time when using the tabs but it is possible with Ctr_C and V

#5 - 01/12/2017 11:41 AM - Andualet Oumer

- Status changed from Feedback to Closed

Works fine now
