Description

For Applicant (agent) users all submitted application should has visible tabs:
Application information
Verification
Screening
Letters
+ Attachments
+ new tab "Application Fee"

The new tab "Application Fee" should allow input application fee to ProdApplication fields feeAMT,
feeSubmittedDt,receiptNo,bankName

Tab Assessment should be modified following way:

Button "Assign Reviewers" should be hidden when application fee is not received (field feeReceived in ProdApplications)

Add new Yes/No button "Fee Received" to modify feeReceived field in ProdApplication like similar button on Verification tab
Write to timeline and regstate new state "Application Fee"

core and namibia should be updated from repo
I've replaced app fee to dilogue
Make update fields after dialog box
Remove default value for fee date, should be empty
