Target version:	Version 2.1		**Spent time:**	0.00 hour
Component:				

Description

Two issues to address:

1) At the Setup MSH Demo: change the label appearing as "Workspace.monthsToAlertMedicineExpires" by the label in English "Months to Alert Medicine Expires";

2) At the Medicine Module: change the message in red appearing as "This medicine is almost stocked out." by the message "This medicine will be stocked out in about XX month(s)", defining as XX the exact number of months.
