The current data isn't displayed in a clear and easy way for understanding.

I suggest including the words Dose - Duration (months) - Frequency inside the columns Intensive Phase and Continuous Phase.

If necessary, adjust the size of all current columns or the whole dialog box.

Please, change:

- the Duration (months) to Duration (mo.) to better accommodate the word Frequency as well;
- the position displayed for the numbers and the words of dose, duration and frequency to be more aligned. See figure attached.
