Status:	Closed	Start date:	03/25/2013
Priority:	High	Due date:	04/01/2013
Assignee:	Luis Gustavo do Valle Bastos	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	Version 1.0	Spent time:	0.00 hour
Description Currently, is possible to record a quantity zero with valid receiving and expiration dates. Despite of really not counted in the total quantity displayed in the stock on order column, it is not clear for the user. See figure attached. With a saving button available (as proposed on feature #535), the system would display a warning message if user tried to record zero.
