The folder still presents confusing files as figure attached. Suggestion (if possible):

- remove files empty.qtb; newOne.qtb; Exercise 1.qtb
- keep the file Fictitia exercise MDRTB.qtb but displayed with expected cases as in previous versions. Currently this file presents only enrolled cases.

#4 - 08/13/2013 03:47 PM - Luis Gustavo do Valle Bastos

- File deleted (Files on Docs folder.JPG)

#5 - 08/20/2013 08:32 AM - Oleksii Kurasov

- Assignee changed from Oleksii Kurasov to Luis Gustavo do Valle Bastos

Please, send me correct version of Fictitia exercise MDRTB.qtb / I'm lost expected cases in my file

#6 - 09/12/2013 06:43 PM - Luis Gustavo do Valle Bastos

- Status changed from Feedback to Closed

Files are adequate now.
